

During the period between 26 February 2023 and 25 August 2023 (inclusive), Australia Pacific LNG has committed the following volumes of uncontracted gas for sale:

<b>Volumes committed for sale during 26 February 2023 to 25 August 2023 (inclusive)</b>		
<b>Customer Type</b>		<b>Volume committed for sale (PJ)</b>
<b>(a)</b>	Commercial and industrial users	0.038
<b>(b)</b>	LNG projects in Queensland	1.475
<b>(c)</b>	Gas retailers and gas powered generators*	3.359
<b>(d)</b>	Gas producers	0.017
<b>(e)</b>	Other Gas buyers (if any)	0.476
<b>Total</b>	All Gas buyers	<b>5.365</b>

\*This volume is in addition to APLNG's existing commitments to supply more than 130PJs of gas during 2023 to the domestic market under medium and long-term contracts.
